1. Are you registered as a Democrat?
 - a. Yes

2. Are you a member of the Eastern Neighborhoods Democratic Club?
 - a. Yes

3. Are you a member of the Noe Valley Democratic Club?
 - a. No

4. Why should the Eastern Neighborhoods Democratic Club support your candidacy?
 - a. I am a lifelong Democrat and have spent my career working to make San Francisco a better place. From my early start in the San Francisco Mayor's Office to Washington, D.C. and back, I have a deep understanding of the ins and outs of San Francisco's governance and intimate knowledge of the issues facing our neighbors and our city. I am one the youngest people running for DCCC and bring a new voice to the entrenched issues of our City and our Party.
 - b. Growing up, I had lived experiences that represent some of the challenges facing San Franciscans: my mother struggled with addiction, my cousin was homeless because landlords wouldn't accept his applications because he is transgender, and my life has been deeply impacted by gun violence. My unique perspective as someone deeply knowledgeable about both the inner workings of City Hall and the difficult lived experiences of our City will make me a great asset to bridging our divides and getting to common sense solutions for our City.

5. Did you support the Board of Education Recall? Why/Why Not?*
- a. I did not take a position on this race because I was temporarily living outside of San Francisco to attend graduate school at the time.
6. Did you support the District Attorney Recall? Why/Why Not?*
- a. I did not take a position on this race because I was temporarily living outside of San Francisco to attend graduate school at the time.

7. What are your 3 core policy issues you care about which affect the eastern half of the city the most?*
- a. Overdose and Addiction
- b. Housing Affordability
- c. Public Safety
8. If elected, how do you see yourself as being able to influence these problems?*
- a. As a member of the DCCC, I will work to make sure those residents most impacted by our City's policies have a greater turnout at the polls. We need to ensure that folks in our dense Eastern side know about every issue on the ballot and have full information on how they want to exercise their vote.
- b. When we have greater representation at the polls and increased voter information, the extreme candidates lose power and politicians who believe in coalition-building rise to the top.
- c. As a member of the DCCC, I will support candidates who put outcomes over ideology so we can make real progress on overdose, housing affordability, public safety, and more issues facing our City.
