1. **Are you registered as a Democrat?**
  - a. Yes
2. **Are you a member of the Eastern Neighborhoods Democratic Club?**
  - a. Yes
3. **Are you a member of the Noe Valley Democratic Club?**
  - a. No
4. **Why should the Eastern Neighborhoods Democratic Club support your candidacy?**
  - a. I am an internationally recognized LGBTQ civil rights activist who has worked on the ground of 7 marriage equality campaigns and I have also served as an elected delegate to the 2012 Democratic National Convention. I have also been active in the fight for voting rights and abortion access across America, most recently I phonebanked to secure abortion rights in Virginia and Ohio. I am a member of multiple San Francisco Democratic clubs including ENDC which I was proud to be a part of in its earliest years. My focus is getting our DCCC back to focusing on the basics of building our Party up, actually doing the work, and re-establishing San Francisco progressivism as a North Star for the country.
5. **Did you support the Board of Education Recall? Why/Why Not?**
  - a. Yes, during a once in a generation crisis (COVID) I was dismayed to see our School Board putting ideology over outcomes. At a time when we needed leadership and a focus on our children and teachers the most, we did not have it, and that is why I supported the recall.
6. **Did you support the District Attorney Recall? Why/Why Not?**

- a. Yes, during a once in a generation crisis (COVID) I was dismayed to see our District Attorney prioritizing ideology over outcomes. At a time when we needed leadership and a focus on our safety the most, we did not have it, and that is why I supported the recall.
7. **For AD 17 Candidates: What are your 3 core policy issues you care about which affect the eastern half of the city the most?**
- a. Public Safety
  - b. Housing
  - c. Education
8. **For AD 17 Candidates: If elected, how do you see yourself as being able to influence these problems?**
- a. The DCCC can support housing bonds that will help fund additional affordable and deeply affordable housing, we can also hold our elected officials accountable if they are not focusing on the issues that matter most to San Francisco Democrats. As a proponent of pursuing outcomes over ideology our Party can help be a leading voice in ensuring that City Hall is passing laws that will have real progressive outcomes in voters lives instead of just progressive press releases.
